**Project Type:** New build  Refurbishment

**Please note,** windows and doors are subject to Building Regulations. The regulations changed in 2022 and it's the installer's responsibility to ensure the products are compliant for their intended use where they're installed. Use our specification tool available at [www.quickslide.co.uk/requirement-calculators/](http://www.quickslide.co.uk/requirement-calculators/) to help you understand the product specification required to comply.
